Organize the
**11th International conference of Ph.D. students of Experimental
Plant Biology**

Košice, September 9-10 2013

It is a great pleasure to invite you to 11th “The International PhD Student Conference on Experimental Plant Biology”, which will take place in Košice, Pavol Jozef Šafárik University (Eastern Slovakia) on September 9-10, 2013. Active participants will be divided into individual sessions focused on all the fields of plant experimental research including Molecular Genetics, Developmental Biology, Biochemistry, Physiology, Ecophysiology, Systematics & Evolution. The best presentations as well as posters will be awarded. The conference will be located at the area of Pavol Jozef Šafárik University in Košice. Language of the conference is English.

Important information

- **Registration:** March 15 – June 15, 2013, Talk abstract deadline: June 15, 2013, Poster abstracts deadline: June 15, 2013

Conference fee: Please pay conference fee by bank transfer till June 15, 2013

- 40 € for non-members / 35 € for members of Czech Society of Experimental Plant Biology (www.csebr.cz) and Slovak Botanical Society

For more information about conference, please visit our web site at <http://botanika-kosice.sk/> (will be progressively updated).

Conference not only for young scientists – for anyone who is eager to get fresh insight, remains young in their mind and wants to find new prospective collaborators for their own research
