

Dear Colleagues,

I have a pleasure to announce a lecture by Professor Emeritus **Govindjee**, from University of Illinois in Champaign-Urbana.

The lecture „**Photosynthesis: From the Past to the Future**“ will be held in the seminar room of the Institute of Systems Biology and Ecology (Poříčí 3b, Brno) on **Mon Sept.21, 2009 at 1P.M.** The lecture will be followed by informal discussions with Prof.Govindjee and Prof.Papageorgiou.

With my best regards,

Michal Marek
